VETERANS

EVENTS

Join us in Washington, D.C. on May 13 for **Deploying Veterans at Home: An Untapped National Resource**, a special event focused on reassessing the scope and direction of veterans philanthropy.

The 2019 Annual Meeting on October 23-25 in Carlsbad, California featured an interactive workshop for like-minded donors to discuss scalable solutions for veterans.

TESTIMONIAL

“ We reached out to The Philanthropy Roundtable for support in hosting a symposium focused on the skills gap and how corporate and private philanthropy can have an impact. The Roundtable...guided our planning team in creating and delivering a first class symposium. Through thoughtful program development advice and making key introductions, The Philanthropy Roundtable enabled us to develop a powerful agenda and an impactful two day meeting. We are now better equipped to mobilize a philanthropic community towards closing the skills gap and better preparing our transitioning veterans and opportunity youth for meaningful careers. ”
